

Athletic Training Internship

Preferred Majors: Kinesiology

Needed: Two (2) Individuals

Supervisor: Certified Athletic Trainer

Class Level Preferred: Junior or Senior

Time Frame: Summer 2021 (May 20th – August 1st)

Compensation: Stipend- \$200

Internship Goals: To learn and apply concepts in athletic injury care including injury prevention, first aid, rehabilitation, evaluation and recognition of injuries, and organization and administration of athletic training.

Responsibilities:

- Set up both dugouts prior to the game (and clean up after)
 - Make sure the coolers and bottles are clean from the previous use
 - Fill the water jugs with ice and water, provide cups and/or water bottles
 - Fill a cooler with injury ice
- Set up the athletic training equipment by the home dugout (ex: treatment table, medical kit, etc.)
- Assist with pre-game treatments (ex. taping, stretching, manual therapies, etc.)
- Provide basic Wound Care
- Assist with rehabilitation exercises
- Assist with emergency response
- Maintain healthcare privacy and confidentiality.
- Other duties as assigned

Student aides must be under the direct visual supervision of a Certified Athletic Trainer when working with any of the athletes. The amount of hands-on athletic training work will be determined by previous experience and the ability to demonstrate a knowledge of and ability to perform whatever treatment or evaluation technique you are wanting to administer.
